## Update: It's live!!! The BAC Mints & Makers Directory

*At Bullion Authentication Company (BAC), we are deeply committed to preserving the rich history of bullion—both vintage and modern. One of our ongoing projects is the development of a comprehensive directory of Mints & Makers - documenting the stories behind bullion pieces and pioneers from around the world. If you, or someone you know, has historical information to share, we encourage you to reach out and be a part of this important initiative.*

## December BAC DEALER OFFER - Gold Nuggets!

For the month of December, each Authorized BAC Dealer is eligible to purchase 5 BAC XRF-Certified Gold Nuggets in BAC holders (pictured above) at \$185 per gram\* (actual gold weight). Dealers will receive a selection of the U.S. and World Prospector Gold Nugget Series (either all U.S. mined gold or gold mined in different countries including the U.S.)

**To place an order**, fill out the form on the bottom of the Stacker Club tab on the website or [click here](#). Once your order is received, we will send you an invoice for payment.

\* These holders are not subject to the 10% dealer discount on services. If you send nuggets in to be encapsulated, these would qualify for the 10% dealer discount on services. While we aim to hold the price per gram steady each month, price is subject to change if there is a large fluctuation in the gold spot price.
